New Traffic Safety Presentations for Your Students

Did you know?

Motor vehicle crashes are the leading cause of injuries and deaths among 15-24 year olds?

Schedule a presentation for your students today!

- 1-hour assembly-style program
- Presented "virtually"
 - Interactive and engaging
- Life-changing and lifesaving
- FREE of charge

A special guest speaker, someone who has sustained a serious brain or spinal cord injury, will share how their choices and bad decisions led to the injury that changed their life forever. **ThinkFirst** presenters provide students with a clear, tangible, heartfelt message.

For more info. or to schedule a presentation, please contact Jodee Dennison:
