

# Buckle Up Navajo

Protecting Our Children On the Road

Saturday, April 18, 2026 9:00 am — 12:00 pm

## + 100 FREE BOOSTER SEATS AND CAR SEAT CHECKS +

### FREE BOOSTER SEAT GIVEAWAY

#### Why does it matter?

- Car crashes are a leading cause of death for young children.
- Using the right car seat or booster seat can reduce a child's risk of death by up to 71%.
- Native children die in car crashes at rates up to 8 times higher than other children (CDC).

### CAR SEAT SAFETY EVENT

#### Requirements:

- Child must weigh 40-100 lbs
- Child must be present
- One booster seat per eligible child (limit 3 per family)
- First come, first served
